

Name:	Tutor Group:
-------	--------------

The following behaviour guidelines have been put in place to ensure that everyone remains safe and works in conjunction with the 'Behaviour for Learning Policy' and its addendum.

**Student Contract**

On returning to school, I will ensure I follow the expectations below, which have been put in place to ensure the school remains a calm and productive environment for learning, as well as helping my peers and teachers to minimise Covid-19 transmission:

I will:

- follow staff instructions straight away and without question, whether these are from a teacher or other adult
- remain focused and attentive in all lessons and meetings with my teachers
- complete all work set to the best of my ability and support the learning of others
- be respectful to all students and adults at all times.
- follow the routes set out on my map to lessons, keep to the one-way system, walk on the left-hand side of corridors and remain in single file
- make my way around the building in a calm and orderly fashion and avoid congregating in corridors and in internal communal spaces
- remain 2 metres away from all adults and students outside of my bubble both in lessons and during social time
- avoid any unnecessary physical contact with other students at all times
- only use the toilets designated to me when I have permission to do so
- ensure I stay in the area designated to my group at break and lunchtimes
- arrive to school at the time allocated to minimise interaction with other students
- wash/sanitise my hands when I arrive at school
- remove any PPE used on my journey to school and place in a sealed plastic bag
- wash/sanitise my hands throughout the day and at designated times (e.g. on entering classrooms, before eating, after sneezing/coughing)
- adopt the 'Catch it-bin it- kill it' approach and dispose of my tissues appropriately
- remain in my designated seat in the tutor room or classroom unless given permission to move
- only use the equipment given to me and not use shared equipment
- make my way home promptly and avoid loitering outside the school or within the local area
- only use public transport if absolutely necessary and comply with requirements on the use of face coverings.

**I am aware that if I breach the expectation above, the steps below may be used:**

- I may be issued an X
- The class teacher may use on-call to contact a member of SLT to remove me from the room
- My parents/carers may be contacted
- I may be referred to the IEU
- A student risk assessment may be conducted by the school

Serious breaches of the code of conduct, which place others at risk of harm, may result in exclusion and/or be referred to the police.

The above is not intended to be an exhaustive list and other sanctions may be issued dependant on the nature of the incident in accordance with the 'Behaviour for Learning Policy'.
