Dear Parent/Carer,

**Re: Term Dates September 2020 – July 2021**

I hope this letter finds you well.

In February, my end of term letter to parents and carers detailed our intended plans for moving into the new facilities provided by our building project, including an early closure in July [10<sup>th</sup> July] and a staggered start of the new academic year in September.

At the time of writing to you today, the Government have yet to publish their plans for re-opening of schools in the months ahead. In these exceptional circumstances, it is therefore appropriate that plans for early closure in the Summer and our reintegration in the Autumn term are kept under review. We will update you all on this as soon as we are able to do so.

Notwithstanding the above, the term dates published below are provided to allow families to plan for being ready and available to start the new academic year.
